Your journey starts here

NEW PARENT WELCOME PACK

Academic Year 2026-2027

Together We Learn, Together We Rise

THE AKIS PROMISE

Every child will be known, valued, challenged and supported to achieve their very best.

OUR VISION

Empowering balanced lifelong learners to drive positive change.

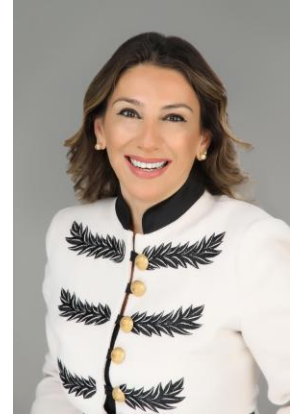

OUR MISSION

Through values, cultural heritage, and academic excellence, AKIS nurtures globally minded, principled leaders who are agents of change, dedicated to making a meaningful impact.

A Warm Welcome

A Message from the School Superintendent

Dear Parents and Families,

It gives me immense pleasure to welcome you and your family to GEMS Al Khaleej International School. Choosing the right school is one of the most important decisions a family can make, and we are deeply honoured that you have chosen us as your partner in your child's educational journey.

At AKIS, every child is known, valued, challenged and inspired. We are committed to nurturing confident, compassionate and curious learners who are prepared to thrive in an ever-changing world. Our dedicated educators create a safe, inclusive and inspiring environment where students are encouraged to discover their strengths, pursue their ambitions and reach their full potential.

Our students follow a high-quality American curriculum that builds strong foundations and develops critical thinking, creativity, collaboration and independence. As students progress through High School, they can access advanced academic opportunities, including Advanced Placement courses and the International Baccalaureate Diploma Programme in Grades 11 and 12. These pathways support university readiness and equip students with the knowledge, skills and confidence required for success beyond school.

Education at AKIS extends far beyond the classroom. Learning is enriched through sport, the arts, leadership, innovation, service and extracurricular opportunities. As a school in the UAE, we are proud to strengthen students' understanding of Arabic language, Islamic education, Emirati culture and national identity while nurturing open-minded global citizens who respect and learn from others.

As you begin this exciting chapter, I encourage you to become active members of our community. Strong partnerships between home and school create the conditions in which children flourish. Your involvement, encouragement and open communication are essential to your child's success and wellbeing.

This pack has been designed to guide you through your first days at AKIS and provide the essential information needed for a confident and successful start. Together, we will celebrate achievements, overcome challenges and build lasting memories.

Welcome to the AKIS family. We look forward to a happy and successful partnership.

Warm regards,

Dr. Ghadeer Abu-Shamat

OUR GEMS VALUES

Excellence | One Team | Care | Always Learning

The AKIS Promise

Known. Valued. Challenged. Supported.

At AKIS, we want every family to experience a school community defined by belonging, high expectations, and genuine care. We commit to creating the conditions in which every student can learn with confidence, develop strong relationships, and make meaningful progress.

Known personally

We take time to understand each student's strengths, interests, needs, and aspirations.

Valued as an individual

We celebrate diversity and ensure every student feels respected, included, and heard.

Challenged to grow

We set ambitious expectations and encourage students to think deeply, persevere, and take ownership of their learning.

Supported to thrive

We provide academic, pastoral, and well-being support and work closely with families whenever additional guidance is needed.

The First 100 Days in the GEMS Family

Every journey begins with belonging

Welcome to the First 100 Days in the GEMS Family, a carefully designed journey to help your child settle in, feel supported and thrive from day one.

The program strengthens relationships among families, students, and the school through regular check-ins, open communication, and meaningful milestones. It is built on a simple belief: students thrive when they feel known, valued and connected.

Throughout the first 100 days, teachers, pastoral teams and school leaders work closely with families to build confidence, friendships, and a strong sense of belonging.

DAY 0

A Warm Welcome

Before your child starts, your family will receive a personalized welcome and practical information to prepare for school life. This is also an opportunity for families and teachers to begin getting to know one another.

DAY 1

A Fantastic First Day

Your child will be supported from arrival through a student buddy, school orientation and a caring introduction to routines. Families will receive reassurance about how the first day has gone.

DAY 10

Settling In

Teachers check how your child is adjusting socially, emotionally, and academically. Families are invited to share feedback and discuss early experiences so that every child feels comfortable and included.

DAY 30

Early Reflection with School Leaders

Families are invited to connect with school leaders, celebrate early progress, and discuss any feedback or support needs together.

DAY 60

Midpoint Check-In

A deeper reflection takes place with senior leaders, including progress updates and open conversations about your child's academic and personal development.

DAY 70**Listening to Your Voice**

Parents are invited to share feedback through a short NPS survey, helping the school respond promptly and strengthen the onboarding experience.

DAY 80**Student Reflection**

Students reflect with teachers or school leaders on their journey, what they enjoy, what they have achieved and any support they may need.

DAY 100**Celebrating Success**

The journey concludes with a joyful celebration of your child's first 100 days, recognizing growth and achievements through a certificate and special acknowledgement.

OUR COMMITMENT

Every child will be welcomed warmly, known personally, supported consistently, encouraged to participate and celebrate progress. Families will remain closely connected with the school throughout the journey.

Helping Your Child Settle Successfully

A new school brings excitement, anticipation and sometimes uncertainty. Children may miss old friends, feel nervous about unfamiliar routines or need time to find their place. These responses are normal, and every child adjusts at a different pace.

How families can help

- Establish consistent sleep, meal, study and morning routines.
- Speak positively about school and show confidence in the transition.
- Listen without rushing to solve every concern immediately.
- Encourage independence, preparation and age-appropriate responsibility.
- Help your child join clubs, activities, and social opportunities.
- Celebrate small successes, including new friendships and growing confidence.

When to contact us

Please contact your child's teacher or the relevant pastoral leader if your child shows persistent anxiety, is reluctant to attend, is struggling socially, feels unsafe or requires additional learning or wellbeing support. Early communication enables us to respond quickly and work in partnership with your family.

YOU ARE NOT ALONE

Our teachers, pastoral team, inclusion team and school leaders are here to support both your child and your family during the transition.

Essential Information for a Successful Start

Mobile phones

Students are not permitted to use mobile phones during the school day.

Any device brought to school must be switched off and stored securely in accordance with school procedures.

If you need to reach your child urgently, please contact the school reception.

No smoking and no vaping

AKIS is a smoke-free and vape-free campus. Smoking, vaping and possession of related devices are prohibited for students, staff, and visitors on school premises. Any breach will be addressed in line with the school behavior policy.

Online safety and responsible use

Students are expected to use technology safely, respectfully, and responsibly. We encourage families to reinforce healthy screen habits, privacy awareness, and respectful online behavior at home.

Respectful communication

We welcome questions and feedback and expect all communication among parents, staff and students to remain respectful, constructive, and focused on the best interests of children.

Attendance and punctuality

Regular and punctual attendance supports continuity, wellbeing, and academic success. If your child is going to be absent, parents must inform the relevant **Student Affairs Officer (SAO)** by email and ensure that the **section secretary is copied (CC'd)** in the email. Please also ensure that your child arrives at school on time and ready to learn. (You can find the SAOs' email addresses on **pages 22,23**).

Daily Life at AKIS

School hours

School begins at **7:25 am**. Families are expected to ensure that children arrive on time, ready for learning, and are collected promptly at the end of the school day.

Regular school timings from Monday to Thursday are:

- Pre-KG to KG1: 7:25 am to 12:55 pm
- KG2 – Grade 5: 7:25 am to 2:30 pm
- Grade 6 – Grade 12: 7:25 am to 2:40 pm

Friday timings for all students from Pre-K to Grade 12 are:

- 7:25 am to 11:15 am

National Anthem

Students participate in the UAE National Anthem observance at **7:37 am** each morning as part of AKIS daily life. Students are expected to stand respectfully, remain still, and listen attentively for the duration of the anthem. Families are asked to ensure students arrive on time so they can take part in this important daily routine, which reflects respect for the UAE, its values and national identity. Appropriate support and reasonable adjustments will be provided where needed.

Parents should allow sufficient time for morning drop-off, especially during the first weeks of term, and should follow the school's designated arrival and dismissal procedures to support student safety and smooth traffic flow.

Arrival and dismissal

Follow the designated drop-off, pick-up and authorized collection procedures. Students should arrive with sufficient time to enter safely and prepare for learning.

Transport

School transport is available through the approved school transport provider. Families who require bus service should register early, confirm route availability, and complete all required documentation and payments before the service begins.

The transport service operates across designated areas and uses dedicated pick-up and drop-off points. Parents should check their location and confirm the nearest available pick-up or drop-off point with the **STS Service Delivery Executive** available at the school.

For school bus enquiries, families may contact:

Siju Jose

Email: siju.jose@sts-group.com

Telephone: 04 2173 883

Parents are reminded that all students using school transport must **follow bus safety expectations at all times, including respectful behavior, remaining seated, wearing seat belts**, following the instructions of transport staff, and using only the confirmed pick-up and drop-off arrangements.

Teaching and learning: Teach Like a GEM

At AKIS, teaching and learning are guided by the **Teach Like a GEM** playbook, which promotes high expectations, strong relationships, purposeful challenges and inclusive practice in every classroom. Our teachers design learning experiences that help students think deeply, participate actively, collaborate confidently, and reflect on their progress.

This means families can expect lessons that are carefully planned, engaging, and responsive to students' needs, with regular opportunities for feedback, support, and extension. Through this shared commitment to excellent teaching, we help every child build confidence, independence, and a lifelong love of learning.

Student behavior and conduct: Be a GEM

At AKIS, student behavior and conduct are guided by the **Be a GEM** expectations. We encourage every student to demonstrate respect, responsibility, kindness, integrity, and care in how they learn, interact, and contribute to school life.

Families play an important role in supporting these expectations by reinforcing positive choices, respectful communication, punctuality, readiness to learn and safe behavior at school. Together, we help students build the habits and character needed to thrive as principled, confident, and compassionate learners.

Leadership Gemstones Framework

The **Leadership Gemstones Framework** is a values-based leadership program designed to help students develop the character, attitudes and behaviors needed to become compassionate, ethical and purpose-driven leaders. The framework recognizes that leadership is not only about positions of responsibility; it is also about how students treat others, make decisions, and contribute positively to their school and wider community.

The framework includes **13 Leadership Gemstones**, each representing a leadership quality that students explore and practice throughout the year.

- **Moonstone – Reflection:** Thinking deeply and setting meaningful goals.
- **Emerald – Compassion:** Showing kindness, care and understanding.
- **Diamond – Integrity:** Acting honestly and staying true to one's values.
- **Labradorite – Vision:** Planning for the future and inspiring others.
- **Aquamarine – Adaptability:** Embracing change with resilience and flexibility.
- **Peridot – Service:** Helping others and contributing to the community.
- **Ruby – Empathy:** Understanding and valuing different perspectives.
- **Onyx – Resilience:** Persevering through challenges.
- **Sapphire – Respect:** Treating everyone with fairness and dignity.
- **Fluorite – Diversity:** Celebrating differences and fostering inclusion.
- **Citrine – Gratitude:** Appreciating the contributions of others.
- **Garnet – Unity:** Building teamwork and collaboration.
- **Amethyst – Purpose:** Reflecting, serving others and acting with accountability.

Students develop these qualities through assemblies, classroom learning, reflection activities, leadership opportunities, community projects, and recognition programs. Each month focuses on a specific gemstone value, helping students build habits of character that become part of everyday life.

Parents play an important role in supporting this journey. You can reinforce the Leadership Gemstones at home by encouraging reflection, recognizing acts of kindness, discussing ethical choices, celebrating perseverance, promoting respect for others, and involving children in opportunities to serve their community. By modelling

these values in daily family life, parents help strengthen the connection between school learning and real-world leadership.

School canteen

AKIS is pleased to continue its partnership with Slices as our school food partner. As many families will know, Slices is a certified catering service provider with a strong track record across the UAE in delivering high-quality, nutritionally balanced snacks and lunch options for students. Their service is built on a commitment to promoting healthy eating habits among children through wholesome, nutritious food, provided to high service standards and in full alignment with Dubai Municipality regulations.

Slices uses a cashless payment system at AKIS to make the canteen experience easier, safer and more efficient for students and families. Parents can top up their child's canteen account through the GEMS Parent Portal, and students can use their student's ID card to make payments at the canteen.

For more details about this service, kindly click [HERE](#).

Please check the menu of **Grab and Go** items as well as cooked lunch below. For more information about Slices, you can visit their website www.slices.ae

Lost and Found

If your child misplaces an item at school, they should check the Lost and Found area as soon as possible. We strongly recommend that parents inform the school promptly so we can support students in locating and collecting their belongings at the earliest opportunity. To help us return items quickly, please ensure all personal belongings, including uniforms, water bottles, lunch boxes and bags, are clearly labelled with your child's full name and class.

Communication and Partnership

Strong communication helps us resolve questions early and ensures that families remain informed and connected. Please use official AKIS channels for accurate school information.

Who should I contact first?

Your question	First point of contact
Learning, homework or classroom wellbeing	Class or subject teacher
Pastoral, friendship or grade - group concern	Phase Principal OR Assistant Principal
Additional learning needs	Inclusion team
Safeguarding concerns	Designated Safeguarding Lead
Admissions or registration	Admissions / KHDA registration team
Fees or payments	Finance team
Transport	School transport team
Unresolved or complex matters	Superintendent or Associate Principal

The school aims to acknowledge and respond to communication within the published response timeframe. Urgent safeguarding or safety concerns should be raised immediately by telephone or in person.

Official and unofficial WhatsApp communication

Parents are encouraged to follow any official AKIS WhatsApp Channel used for school updates. Unofficial parent WhatsApp groups are not managed or endorsed by the school, and important school information should always be verified through official channels.

How do I access my child's Year Group Channel?

- Join the channel/s relevant to your family only.
- Click the 'Follow' option.
- Once you have joined, the channel will appear on the 'Updates' tab at the bottom of your WhatsApp home page.
- Check that your notifications are unmuted.

We Are Better Together

Becoming part of the AKIS community

Parents bring valuable experience, perspectives and talents to school life. Your involvement strengthens relationships, enriches learning, and helps create a vibrant community for every child.

- Join the Parent Association.
- Attend workshops, celebrations, exhibitions and school events.
- Volunteer for approved activities, trips, or community initiatives.
- Share professional expertise, cultural knowledge, or practical skills with students.
- Participate in surveys and provide constructive feedback.
- Celebrate student effort, progress, and achievement.

PARTNERSHIP IN ACTION

Stay informed. Ask questions early. Attend key meetings. Encourage independence. Celebrate progress.
Work with us when challenges arise.

Your Voice Matters

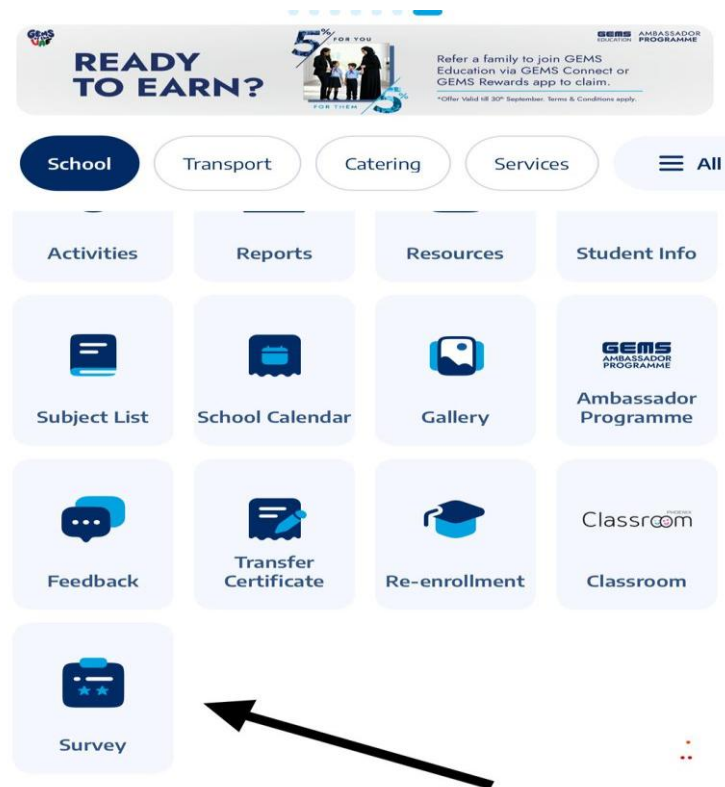

Sharing feedback through the NPS survey

At AKIS, we value open, honest, and constructive feedback from our families. Your views help us understand *what is working well, where we can improve* and how we can continue to strengthen the experience for every child and family.

Parents can access the NPS survey through **GEMS Connect** by selecting **School** and then opening **Survey**. The survey is simple and quick to complete, and the school team reviews your feedback carefully.

NPS stands for **Net Promoter Score**. It measures how likely families are to recommend the school to others. A higher NPS score (9-10) means that more families are positive advocates for the school. We use this feedback to celebrate strengths, respond to concerns, and identify practical actions that will make the AKIS experience even better.

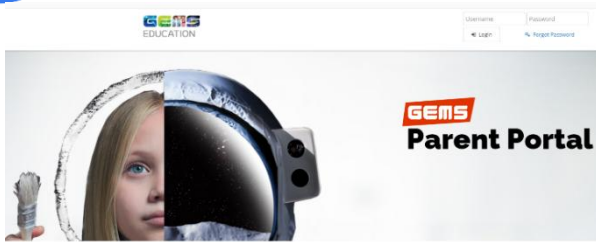

Families are also welcome to share feedback directly by email. If you would like to raise a suggestion, question or concern, you may contact our **Parent Relations Executive** or the **School Superintendent**. We value every opportunity to listen, respond, and work in partnership with you.

Photo Consent and ID Cards

Photo Permission Form

As we continue to celebrate and highlight the diverse and enriching experiences of our students, we seek your consent to feature their photographs on the school's platforms, including the website, social media, newsletters and yearbooks. Please update your preference through GEMS Connect by going to Student Info → General Consent.

We strongly recommend that parents who do not want their children to appear in any school-related content select "No" to ensure their child is not included in such activities or materials.

ID card photo submission

Parents are required to submit student and parent photos for the ID card. Please also complete the Pick-up Authorization Form and, where applicable, the **Leaving Alone** Permission Slip for Middle and High School students only as well as siblings' pick up.

Parent ID cards and lanyards

The safety of our students always our priority at Al Khaleej International School. Parents must show their ID card to security for easy access whenever they visit the school, including for fee payments, Parent-Teacher Meetings, student pick-up and drop-off, and office visits. Parent lanyards must be worn when dropping off and picking up students. Parents who have not received a lanyard can collect it from the main reception.

ID cards will be distributed to students in classes to deliver to their parents and will be handed to the eldest child. Each family receives one parent lanyard free of charge. If an additional ID card is requested, a fee of AED 50 will apply.

Medical Information/Form

Parents must ensure to fill out the medical information form and share all required documents with the school clinic before the start of the academic year. This information is essential as students will not be permitted to join the school trips and activities if they have missing medical information. This can be completed via GEMS Connect.

IMPORTANT

Our teams are actively engaged throughout the school day to ensure that students are safe, well supervised, and learning. For this reason, we strongly encourage parents to contact us by email whenever possible. We aim to acknowledge and respond to parent emails within 24–48 hours during school working days. If the matter is urgent, please indicate **“URGENT”** in the email subject line so that it can be prioritized and directed to the relevant member of the team. For immediate safeguarding or safety concerns, please contact the school by telephone or in person.

Final Welcome

Thank you for choosing GEMS Al Khaleej International School. We look forward to welcoming your family, getting to know your child and sharing a happy and successful journey together.

TOGETHER WE LEARN, TOGETHER WE RISE
